

Mission Statement

At Partney we seek to develop the whole child within a Christian ethos preparing them for a happy, healthy and fulfilled life ahead.

The Aims of Our School

The school nurtures an understanding of Christianity and a respect for world faiths. It promotes a collective spirit working in partnership with the community, Church and outside agencies.

We encourage all members of our school community to show care and respect, sharing responsibility for our school, our Church and the wider environment.

We provide a happy, secure and stimulating environment to encourage positive attitudes to learning, independence and to develop a sense of personal worth - all of which is underpinned by Christian values.

Our curriculum is broad, balanced and creative in its design, linking together areas of learning. We want our children to be self-confident, to develop enquiring minds and the ability and desire to become lifelong learners. We want them to reach their full potential for a happy and fulfilled life. We look to cultivate a responsible attitude towards the environment and sustainability. We shall educate pupils within a safe, respectful, supportive school family.

We seek to promote a feeling of wellbeing amongst our Parents and Carers, Staff and Governors with everyone being confident that they hold a valued position within the school community.

Statement of Religious Ethos

Recognising its historical foundation, the school will preserve and develop its religious character in accordance with the principals of the Church of England and in partnership with the Church at parish and diocesan level.

The school aims to serve its community by providing an education and personal development of the highest quality within the context of a Christian school family.

It encourages understanding of, and respect for, all world faiths while offering Christian values to all its pupils.
