Dear Parents and Carers

It has been another busy week at school and the children have all been working hard. Our collective worship theme this term is 'resilience' and we have talked a lot about how we can all become more resilient learners. We have shared stories and Bible stories and staff have been very impressed with the level of discussion and links that the children are making.

Dropping off and picking up

We realise that with the new combined KS1 and KS2 start and finish times it is busier when you are dropping off and collecting your children. However, it is really important that cars do not stop on Maddison Lane and block access which could be needed for emergency vehicles and residents. There is parking at the Victory Hall for anyone that needs it.

Please can we gently remind everyone to turn off their car engines when they are dropping off and collecting children. This is extremely important not only for the health of the children but also for the environment.

Online safety

Online safety is a very important part of keeping all our children safe and a topic that many parents ask for advice about. The following link provides access to some videos to support parents with online safety- [Parents Protect - Internet Safety](#)

Other news

Breakfast club and Home2School club are available for all children (Reception to Year 6) and can be booked in advance if you know that you need it. It can also be used when things crop up unexpectedly. Children who are not collected on time will be taken to Home2School club at the end of the day. It is helpful if you can ring the office to let us know so that we can reassure the children that you have been delayed; if we haven't heard anything we will endeavour to contact you.
