Our school is located in the Lincolnshire village of Partney which is located only two miles north of the traditional market town of Spilsby.

The school is situated in an Area of Outstanding Natural Beauty.

Hot school lunches are freshly prepared daily in our own school kitchen.

The School is small and friendly; we have 3 classes and all the children play together in the playground.

Each class has a Teaching Assistant to support the Teacher.

We also run a "Stay and Play" Group on Monday afternoons and a toddler group on Wednesday afternoons.

Children are all treated like individuals and are encouraged to grow independently.

We actively listen to their views through the Children's School Council.

We work together with our community in lots of different ways and are also supported by a strong and active Governing Body and Partney Friends Association.

To find out about our school and all the exciting things we do please visit our website:
