

## Long Term Mathematics Plan for Class 3 UKS2

Week	Main focus of teaching Autumn	Main focus of teaching Spring	Main focus of teaching Summer
1	<i>Addition and place value</i>	<i>Addition and place value</i>	<i>Number and place value</i>
2	<i>Addition and number</i>	<i>Addition and subtraction</i>	<i>Number and place value</i>
3	<i>Addition and subtraction</i>	<i>Place Value, Addition and subtraction</i>	<i>Multiplication, division and percentages</i>
4	<i>Shape and measure</i>	<i>Shape and measure</i>	<i>Angles and polygons</i>
5	<i>Multiplication and division, fractions</i>	<i>Multiplication and division, Place value</i>	<i>Fractions and subtraction</i>
6	<i>Number and fractions</i>	<i>Fractions and number</i>	<i>Multiplication and division</i>
7	<i>Multiplication and division</i>	<i>Multiplication and division, fractions</i>	<i>Written multiplication</i>
8	<i>Place value and subtraction</i>	<i>Shape and measure</i>	<i>Measures, data and time</i>
9	<i>Measures and data</i>	<i>Place Value, Addition and subtraction, Shape and measure</i>	<i>Place value and Subtraction</i>
10	<i>Fractions</i>	<i>Number, Addition and subtraction, Algebra</i>	<i>Written multiplication and multiplication of fractions</i>
11	<i>Addition and subtraction/ Multiplication and division</i>	<i>Addition and subtraction, Multiplication and division</i>	<i>Calculation</i>
