Equalities Policy

We believe this policy relates to the following legislation:

- The Education (School Performance Information) (England) Regulations 2001
- Equality Act 2010

We understand that the Equality Act 2010 combines and builds upon the existing legislation covering discrimination and promotion of equality of opportunity.

We recognise that this Act brings together into one Act those areas now known as 'protected characteristics' that qualify for protection from discrimination such as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

We believe that everyone has the right to be treated with dignity and respect. We are opposed to any direct or indirect discrimination against individuals or groups whatever their age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We have high expectations of all pupils from across the ability range by aiming to provide them with every opportunity to succeed by providing the highest standards of teaching and learning within a curriculum that is broad, balanced, differentiated, relevant and exciting. We will monitor the progress of all pupils in order for them to achieve their expected targets.

We are opposed to any member of the school personnel or others connected with the school being victimised, harassed or bullied by another based on assumptions about their status in the afore mentioned categories or on any other grounds. Also, we will not discriminate against anyone because of their political affiliation.

In order to achieve the aims of this policy we will take measures of positive action to encourage or facilitate the employment or training of minority or disadvantaged groups as we recognise that the avoidance of discrimination is not sufficient in ensuring that equality exists in this school.

*“We seek to develop the whole child
within a Christian Ethos,
preparing them for a happy, healthy and fulfilled life ahead.”*

We work hard to maintain a positive ethos where all members of the school community work well alongside each other developing positive working relationships.

We want pupils to come to school to enjoy the meaningful experiences that we offer and where they feel valued and special. We want them to have a sense of pride in themselves and their school.

We want school personnel to see the importance and derive a sense of fulfilment from their work in school but above all we want them to feel valued by everyone in the school community.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We aim to be judged at least good in all school inspections by ensuring that standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

Disability Equality Scheme and Disability Accessibility Plan for Pupils

We believe this policy relates to the following legislation:

- Disability Discrimination Act 1995
- SEN and Disability Act 2001 (SENDA)
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work With and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)

We believe that we work hard to ensure that the Christian culture and ethos of this school are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and treat one another with respect. This school provides pupils with the opportunity to experience understand and value diversity. This is fundamental to the concept of inclusiveness as a Church of England School.

In accordance with the planning duty in the Disability Discrimination Act 1995 and as amended by the SEN and Disability Act 2001 (SENDA) this policy and plan has been devised. It also draws on the guidance set out in “Accessing School: Planning to increase access to schools for disabled pupils” issued by the DFES in July 2002.

We believe disability is:

‘A person has a disability if he or she has a physical or mental impairment and the impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities. This means that in general the person must have an impairment that is either physical or mental; the impairment must have adverse effects which are substantial; the substantial adverse effects must be long-term; and the long-term substantial adverse effects must be effects on normal day-to-day activities.’ (Equality Act 2010)

“We seek to develop the whole child within a Christian Ethos, preparing them for a happy, healthy and fulfilled life ahead.”

We have a duty to promote equality of opportunity, eliminate unlawful discrimination, eliminate disability related harassment, promote positive attitudes towards disabled people and encourage disabled people to participate in school life.

We believe it is our duty to prepare and publish a disability equality scheme that will outline accessibility to the school premises and its facilities, accessibility to the curriculum, accessibility of educational services, provision of training for school personnel and pupils which result in improved outcomes for disabled pupils, parents/carers and school personnel in all aspects of school life.

We are proud of our ethos of support, collaboration and respect for one another. We strive to create a safe caring environment for all our pupils to experience success, happiness and excellence. All school users will benefit from the school’s disability equality scheme as it will allow them to take full benefit of the opportunities that this school offers.

We are committed to providing a fully accessible environment which values and includes all pupils, school personnel, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

In response to the Access Audit undertaken by the Local Authority we have in place an Accessibility Action Plan designed to increase the accessibility of provision for all pupils, staff and visitors to the school. The plan is as follows:

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
