## Pupil's Safe use of the Internet

This is how we stay safe when we use computers:

- I will only use games and websites that a teacher has told or allowed me to use.
- I will take care of the computer/tablet and other equipment.
- I will ask for help from a teacher if I am not sure what to do or if I think I have done something wrong.
- I will not take or share images of anyone without their permission.
- I understand that the teachers in my school will check to see that I am using the I pads and other devices safely.
- I will keep any usernames and password safe and secure – I will not share it.
- I will not try to use any other person's username and password.
- I will not share personal information about myself or others when on-line (this could include names, addresses, email addresses, telephone numbers, age, gender, educational details, etc )
- I will immediately report anything that makes me feel uncomfortable when I see it on-line.
- I know that if I break the rules I might not be allowed to use a computer/iPad for an agreed time.
